## Guidelines

---

Educate yourself and your loved ones about – what is physical as well as mental good health and how to achieve it.

– Very Urgent

---

Stay tuned to your body and recognize it's needs – have adequate and timely rest and sleep, exercise regularly, follow a good diet, drink plenty of water and practice meditation daily.

– Very Urgent

---

Maintain a healthy BMI. Adopt a healthy diet – high in vegetables (esp green leafy ones) & fruits and low in carbs, sweets, salts and fats. Eat more proteins & whole grains (atta) and reduce refined carbohydrates (maida). Include some nuts and seeds in your diet. Ensure you eat foods rich in vitamins and minerals – citrus fruits (orange, lemon, and sweet-lime), yoghurt/curd, turmeric, green vegetables, beetroot and pomegranate, sesame seeds, flax seeds, nuts, raisins and dates. Avoid full-fat milk and full-fat dairy products to the extent possible. Minimize processed, deep-fried and junk food. Drink at least 8 to 10 glasses of water per day. Remember you can eat what you like but moderation/balance is the key. Exercise regularly, at least 45 mins of mild exercise every day and preferably 150 minutes of cardiovascular exercise per week. Create daily routines with adequate (7–9 hours) of sleep at appropriate hours. Try to follow the sun, rise early and do not sleep too late. Avoid screen time before sleeping and try to keep a min 3-hour gap between your dinner-time and sleep-time.

– Very Urgent

---

Take care of your mental health at home and the workplace. Be open to talking, about any issue you may have, to your close family members and friends. Practice deep breathing exercises and guided or self-meditation daily. Schedule a few minutes of daily fun time for your hobbies – listening to music, singing, gardening, going for nature walks or playing with pets and spend some happy time with your family & friends.

- Very Urgent

---

Increase your exposure to the sun- take walks or perform your daily aerobic exercises outdoors in the mornings. Increase consumption of milk and dairy products but make sure it is not full fat. Vitamin D supplements, with or without calcium are also safe to take after consultation with a physician.

- Very Urgent

---

Stop chewing tobacco, pan or pan masala.

- Very Urgent

---

Limit the number of your sexual partners. Always practise safe sex – use condoms.

- Very Urgent

---

Keep your BP in check and prevent all the complications of high blood pressure.

Do not add extra salt to food/salads/buttermilk and avoid eating papad and pickles.

- Urgent

---

Check your BP every year and consult a physician if high, to get yourself evaluated and initiate treatment if needed.

- Urgent

---

Get your eyes checked for cataracts every 3 years.

- Very Urgent

---

Always get unexplained bleeding/excessive bleeding from small wounds examined by a doctor. Male

- Urgent

---

Stop any type of oral consumption of tobacco, pan, and paan masala. Quit smoking, avoid secondhand smoke and reduce alcohol consumption. Maintain good oral health – brush twice a day and keep your gums clean. If you have ill-fitting dentures or sharp teeth, consult your dentist to get them checked. Visit your dentist for screening every year.

- Very Urgent
